The City of Albemarle Landfill located at 40592 Stony Gap Rd. Albemarle NC 28001 takes electronics and White Goods.

Household Hazard Waste is handled on a once a year bases.

Stanly County Solid Waste, City of Albemarle and the NC Department of Agriculture and Consumer Services have held a HHW event once a year since the late 1990's. This event is held in the early spring, and it gives all households in Stanly County a chance to clean out their house, barns and old building of any old paints, auto-motive products, household cleaners and fertilizers. This event is always well published and we hope to continue it once a year.

Please note: You must pay the Solid Waste fee to use the Stanly County Convenience Centers. Oversized loads are prohibited and will not be accepted (at the discretion of site attendant).
